Dear Fellow Stockholder,

Happy New Year. As we usher in 2024, I am writing to inform you of significant board changes at Chain Bridge Bancorp, Inc. (the "Company") and Chain Bridge Bank, N.A. (the "Bank"), following the Board's review and subsequent unanimous adoption of the Governance and Nominating Committee's Recommended Board Changes for 2024.

The Governance and Nominating Committee's comprehensive assessment of the Board, as outlined in its recent reports, led to these changes. Their evaluation focused on addressing imbalances in the Board's skills and optimizing its size to better serve the Company's shareholders, while also incorporating insights from a separate evaluation concerning the Board's overall performance and effectiveness.

Here are the key changes arising from the Committee's recommendations:

- 1. Board Size Reduction and Alignment:** Effective today, January 1, 2024, the Company and the Bank's boards have been reduced to 13 members each, aligning better with industry norms and aiming to improve governance efficiency.
- 2. Board Composition Consistency:** To further streamline governance and enhance decision-making efficiency, the compositions of the Company's and the Bank's boards will be made identical. This change promotes consistency and eliminates redundant discussions across the two boards, fostering a unified approach to governance and strategic direction.
- 3. Synchronized Resignations and Appointments:** In light of the Committee's findings regarding skill gaps in areas such as auditing and cybersecurity, and the overall need for a Board structure that better meets optimal governance standards, several directors have resigned effective December 31, 2023, and new directors with specific expertise have been appointed, effective today, January 1, 2024. The new directors are Mark Martinelli, expected to chair the Company's Audit Committee; Dr. Yonesy F. Núñez, expected to chair the Bank's Information Technology Committee; and Michael J. Conover, expected to chair the Company's Risk Committee. Detailed profiles of these new directors are attached to this letter.

4. **Director Slate for 2024:** A new director slate, reflecting recent changes, will be presented in the proxy statements for the 2024 Annual Meetings of both the Bank and the Company. This slate will include 12 individuals and reserve a 13th position specifically for a Trusts and Estates expert, who will be tasked with chairing the Bank's Trust Oversight Committee. This position will remain vacant until the Governance and Nominating Committee appoints a suitably qualified individual. The complete slate is designed to offer a comprehensive array of skills and experiences, equipping the Company to navigate future challenges and opportunities.

The Committee made its recommendations to better align the Company's and the Bank's governance practices with the best interests of the Company's stockholders. The Committee took into account various factors, including a board skills matrix, director self-assessment questionnaires, current industry standards for publicly traded financial institutions, and recognized best practices in corporate governance.

We extend our deepest appreciation to the directors who have diligently served Chain Bridge Bancorp, Inc. and Chain Bridge Bank, N.A. and are now stepping down. Their leadership and commitment have been instrumental in our growth and success. Special recognition goes to Philip J. 'Chico' Herrick, who has been granted the honorific title of Director Emeritus of Chain Bridge Bank, N.A., effective January 1, 2024, for his exceptional dedication to the Bank.

We appreciate your continued support as stockholders and clients and send our best wishes for the New Year.

Respectfully,

Peter G. Fitzgerald
Chairman
Chain Bridge Bancorp, Inc.
